

## **Transportation Coordinator – Job Description**

**Go Lloyd connects people and places by creating partnerships and transportation solutions to make Lloyd extraordinary.**

We're a transportation management association dedicated to helping Lloyd employees and residents tap into the resources our neighborhood has to offer. We offer a wide range of free transportation services and manage TriMet's Universal Pass (reduced-price annual transit pass) program for employers in Lloyd. We also operate a transportation store (Mon-Fri, 11 AM – 4 PM) where visitors can purchase or refill transit fares, pick up free bike or pedestrian maps, and purchase basic bike commuting supplies.

Membership in Go Lloyd and access to our services is free. Having an active Transportation Coordinator fulfills your organization's requirement for membership.

### **What does a Transportation Coordinator (TC) do?**

You're our direct link to your organization. Your participation is essential to our work promoting access to transportation, reducing drive-alone trips, improving air quality, and creating a more vibrant and livable neighborhood.

You connect us with your co-workers to inform them on local transportation options and available programs. Part of that responsibility involves helping us promote our programs. You share information from Go Lloyd about transportation services, traffic and construction alerts, and neighborhood events. In exchange, we want to hear from you by providing us with valuable feedback about transportation and neighborhood concerns from your co-workers.

Let us know how we can best serve you, your organization, and your employees. Need biking or walking resources? Information on transit routes? Looking to form a carpool? We can help. If you have needs that aren't transportation related—public safety, sustainability, and a wide range of other questions—reach out and we'll connect you with other neighborhood resources.

Lastly, spread the word and let your colleagues know we're here to help. Sign up for our newsletter, check our events calendar, or connect with us on social media @GoLloydPDX for information on neighborhood news and events.
